Product Name: Wicue Intelligent LCD Tablet

Part Number: 8.5 inch LCD Writing Tablet, 10 inch LCD Writing Tablet, 16 inch LCD Writing Tablet, 21inch LCD Writing Tablet, 28 inch LCD Writing Tablet

Product Description:

Wicue board is a writing tool that can perfectly replace the traditional tablet computer (blackboard / whiteboard, etc.). No ink, can use any hard object for dust-free writing. The handwriting is the original handwriting, writing without electricity, no backlight, no harm to eyes; one key full screen or partial erasure, also has the function of "instant storage, synchronous transmission", is a comprehensive innovation of the traditional blackboard, white board and other writing boards. Liquid crystal writing pad realizes paperless writing instead of post stickers. Sketch book and whiteboard can be used to record events, leave messages, list to-do items, shopping lists, calligraphy and painting, arithmetic, games, scoring and mathematical checking, etc.
